

IGNITE ECO-SYSTEM

IGNITE Technology Transfer Office at NUI Galway is pleased to announce the launch of commercialisation mentoring & training workshops aimed to help researchers, individuals and innovative enterprises access specialist advice to prepare their technology to be ready for, and attract investment. The sessions are most suited to those wishing to commercialise, and believe that their technology has commercial potential. If you are unsure of the next steps, we will guide you through this process.

- 121 MENTORING & COACHING
- INTELLECTUAL PROPERTY
